## Special Products $\triangle$ Second Quarter Actual

$\triangle$ America
Sales

* Sales Volume are for POS printers only.
- In the U.S. and European market, sales increased due to the impact of the yen's depreciation.
- In the domestic market, despite weak market conditions, sales were on a par with the corresponding period of the previous fiscal year owing to the inclusion of SST in the Company's scope of consolidation.

## Special Products $\triangle$ Full Fiscal Year Forecast

- As far as business forecasts for the full fiscal year are concerned, net sales are projected to decrease compared with the previous fiscal year; profits are expected to substantially decline year on year; despite the impact of such factors as the yen's depreciation, this downturn largely reflects expectations that market conditions will remain generally sluggish.

## Machine Tools

Sales

- In the U.S. market, sales increased mainly in the medical-related sector.
- In the European market, sales increased significantly mainly in the automotive-related sector.
- In the Asian market, sales decreased significantly mainly in the automotive-related sector in China.
- In the domestic market, sales decreased due to lack of momentum of the automotive-related sector.

## Machine Tools

Sales

Sales Volume
(Units)

- As far as business forecasts for the full fiscal year are concerned, net sales and profits are projected to decrease year on year, despite an increase in Europe, this downturn is mainly due to expectations of weak market conditions in general in other regions.
