Notice Concerning Reporting of Extraordinary Income

Star Micronics has reported an extraordinary income in the second quarter of the fiscal year ending February 28, 2013. For which the details are as follows.

1. Reporting of extraordinary income

Star Micronics reported ¥967 million in insurance income as an extraordinary income in the first two quarters of the fiscal year ending February 28, 2013. This was in light of compensation that was finalized for damage to insured production facilities and inventory STAR MICRONICS PRECISION (THAILAND) CO., LTD., a wholly owned subsidiary, had sustained during the October 2011 floods in Thailand.

The loss on disaster recorded against this as an extraordinary loss in the fiscal year ended February 29, 2012 was ¥437 million.

2. Impact on Earnings

This extraordinary income was factored into the projections announced on April 11, 2012.

For the latest consolidated earnings projections for the fiscal year ending February 28, 2013, please refer to (3) Qualitative Information Concerning the Consolidated Earnings Projections under 1. Qualitative Financial Information, in the Fiscal 2013 Second-quarter Consolidated Earnings Report disclosed separately today on September 27, 2012.
